

CONFIDENTIALITY AGREEMENT

**Appendix 1 to continuing entrepreneurs'
Kontrakti Contract**

This confidentiality agreement applies to the companies presented within the framework of the main implementer of the Enter-to-Business project, Itä-Savon Uusyrityskeskus ry, as well as the part-implementer Miksei Mikkeli Oy and Itä-Savon Uusyrityskeskus consultancy service.

By signing this agreement, I undertake to keep confidential the detailed material and all confidential data relating to the corporate transactions. I will also not allow such data to come into the possession of a third party without the consent of the company / entrepreneur in question.

At the same time, I also undertake not to use the confidential data for my own good and not to copy it for any other purpose than for the conducting of business negotiations. In case that the business negotiations conclude without success, I undertake to destroy all the material that I have in my possession concerning the company / entrepreneur in question.

The obligations of this confidentiality agreement remain binding upon the signatory, even after the end of the business negotiations, regardless of their outcome.

In the event that I come to violate this confidentiality agreement, I hereby undertake to pay all direct and indirect damages that I may have caused to the company / entrepreneur in question.
